Tasting notes

Fragrant floral red cherry, strawberry and raspberry notes. A complex nose with earthy savoury and spicy characters. Delicious sweet cherry and berry fruit flavours with some earthy forest floor and spicy notes. French oak gives a subtle structure to this fruity Pinot Noir with a lovely lingering finish.

About the wine

Grapes bunches were thinned and hand-harvested to maximize flavors and fruit quality. The fruit was crushed and de-stemmed and transferred to open fermenters. After a period of cold maceration for 4 days, the juice was inoculated for fermentation. Regular hand plunging up to 19 days was carried out in the winery. The fermenting juice was then transferred into French oak barrels (10% new) for maturation and to wait for secondary fermentation in the spring before bottling in the new year.
